The Deck Yard

We are looking for a forklift driver to join our lumber yard team. We require a hard working individual who will learn aspects of a small to mid-size business including selling material, and building lumber loads, providing customer service, doing deliveries and assisting in all day to day operations.

Responsibilities:

- Read material order sheets
- Obtain good understanding of products carried
- Build orders for shipment
- Delivering materials on lumber trucks
- Responsible to design deck sketches for builders, material lists, summaries for projects, and maintaining accurate sales records
- Learn to build, sell, and design custom decks
- Constant interaction with customer from initial sales call until completion
- Involved with selling materials and providing product knowledge to customers
- Drive Forklift

Qualifications:

- Post-secondary degree/diploma (or working towards) in the area of construction, construction management, construction engineering, business, architectural technology or any other related program
- Excellent interpersonal skills needed for dealing with management, builders, and customers
- forklift experience is an asset, not required
- Proficiency with MS Office with design software experience as an asset
- Strong work ethic towards building and expanding the company
- Construction experience is an asset
- Must have a valid G or G2 driver's license and own transportation
- Required to have proper safety boots for working on job sites

- Must be flexible to work evenings and some Saturdays

About Hickory Dickory Decks:

We are the largest deck company in Canada located in over 65 cities. With franchises located predominantly in Ontario, we have excelled by providing top quality decks combined with excellent customer service. With over 30,000 projects completed and more than 30 years' worth of experience, we have become a leader in the deck building industry. Great opportunities exist for hard working and self-motivated people who do not like sitting in a cubicle all day. Our lumber yard environment fosters employee growth with opportunities such as apprenticeships and franchises. If you are interested in working for a corporation that offers a variety of responsibilities and experiences out of College or University, please consider joining us!
